25X1 MEMORANDUM FOR: [REDACTED]
Director, Intelligence Community Staff

THROUGH: Chief, Administrative Staff
Budget and Finance Officer

25X1 FROM: [REDACTED]
Chairman, COMIREX

25X1 SUBJECT: Approval to Extend Contract with Booz, Allen & Hamilton,
Inc. [REDACTED]

1. This memorandum requests approval to obligate up to [REDACTED] in [REDACTED] in FY-1986 funds, subject to availability, to extend Contract No. [REDACTED] with Booz, Allen & Hamilton, Inc. of Vienna, Virginia, to provide continued software development and analytical support to the Integration and Analysis Staff, Planning and Analysis Division, COMIREX Staff. The contract will continue under the technical direction of [REDACTED]. The monies will come from the [REDACTED] earmarked for support to our planning effort in the IC Staff FY-86 budget currently pending before Congress. [REDACTED]

2. The contractor has proposed expending approximately 42 staff-months of effort on seven tasks listed below:

Upgrade and Optimize Existing IAS Periodic Reporting Software

Provide Data Base and Program Maintenance Support

Provide Analytical and Programming Support to Aid in the Creation of the "O" Deck

Provide Configuration Control and Scheduling Support

Provide Technical Systems Assessments and Data Base Analysis

Develop the Distribution of NIIRS/NRIS Reporting Program

Provide Ad Hoc Reporting and New COMIREX Reporting Software

CL BY: SIGNER
DECL: OADR

CONFIDENTIAL

CONFIDENTIAL

25X1 The level of effort will be reduced to approximately 36 staff-months during the negotiation process, and the contractor has noted his acceptance in principle of this provision. Further details may be found in the contractor's proposal and statement of work which are attached.

25X1 3. Booz-Allen is uniquely qualified to continue these critical tasks on the basis of their extensive experience and knowledge of the work to be done and their demonstrated ability to perform as expected.

25X1 4. Your approval to proceed with this contract extension, subject to the availability of funds, is requested.
